Rise of the Robots

A lecture series on Social Robots organized by the Chair Individual and Technology

Malte Jung, Ph.D. (Cornell University)

“Teamwork with Robots”

Wednesday, 27th of June 2018, 5 pm
Couvenhalle

Malte Jung is an Assistant Professor in Information Science at Cornell University. He leads the Robots in Groups Lab, which seeks to contribute to our basic understanding of group dynamics and how group dynamics can be shaped by robots implicitly and by design

Upcoming Speakers in the winter term:

“The Right(s) Question: Can and Should Robots Have Rights?” (David J. Gunkel, Northern Illinois University)

“Talking to Robots” (Autumn Edwards, Western Michigan University)

“Robots for the Social Good” (Selma Šabanović, Indiana University)
